

## “A Strong Women”

Today we will see one of the strongest women who scarify her whole family. Her name is “pashiben”. She is 75 years old. When she married she was just 15 year and she took whole responsibility of family. When her husband died in early age of life she become strong and boldly survive her family till 35 year she continue job work.

Before 8 year her big son came across with one major accident but she become strong in this condition also and take responsibility of family.

She just started her journey from 45 as and currently she got 6500/- in Mahagujarat Hospital Nadiad, but still she is doing hard work for family. She completed 35 year but still she has capacity to continue her job work till 20 years.

She takes responsibility of her two son, two daughters in law, their kids, with smiley face. She proves the “power of women”. She becomes best example for us.

Dinsha Patel College of nursing feel proud to encourage her spirit by contribution of 5/- per each person and feel them comfort by providing them linen material.

This type of women may be don't have knowledge regarding women's day but she put best example for us.
