

### 7.3 - Institutional Distinctiveness

In our institute share and care activity begin in the year of 2012 out of compassion for those who are in need for the basic items of everyday life. Some of the staples given free of charge are food, clothing, blankets, dairy products, basic medicines, sanitary pad etc. Caring and sharing is a multi – faceted that seeks to respond to the short term needs of emergency food, clothing and other physical necessities, while offering hope, encouragement, financial counseling, and information to assist in finding long term Solutions by institution.

**Mission:** To make Difference in the lives of the people by reaching out to vulnerable communities.

**Goal:** Contribute in addressing the needs of communities for there progress, generating hope and aspirations in their lives.

#### **Objectives:**

1. Create tangible transformation in the lives of poor and vulnerable people.
2. Improve food security and livelihood of the urban and rural communities.
3. Capacity Enhancement and Organizational development at the community level.
4. To create the Means for providing medical Assistance to the people suffering from Disease, Especially for Helpless people.
5. To provide help under Health and nutrition service for women and children.

In our institute every month we are distributing sanitary pad at Hariom Nagar rural area of Nadiad, and create awareness regarding menstrual hygiene. Also distribute clothes, food at old age home, Salun, Hari omnagar Nadiad. Share and care activity under the part of community health nursing, and all faculties and students actively participate in this activity, this is very helpful for needy people.

**Core values:** We are committed to work with individual family and communities with concern for their well being through.

**Love:** Sharing and caring

**Integrity:** Aligning thought, speech and action

**Respect:** Honoring every being

**Accountability:** Answerable to one's action

**Share and care activity (2019-2020)**
