Second year Post Basic B.Sc. Nursing students from Dinsha Patel College of Nursing Nadiad visited District T.B Centre, Nadiad as a part of their community Health Nursing Subject requirement. We reached their, at 10:30 am and went to Ground Floor of the T.B Centre. They have described us all the facilities are provided by the District T.B Centre. We have visited Patient Registration area, laboratory, X-ray Room and Pharmacy. Also they describe us Epidemiology, classification of T.B, Types of T.B, Assessment and Diagnostic test conducted in T.B Centre, Medical management, Tuberculosis and HIV.

They had also Shown us T.B.NAAT Laboratory where there is machine which is provided by Gujarat Government at 1 or 2 designated District T.B.Centers in all Districts. CB-NAAT, GeneXpert Cartridge based nucleic acid amplification test is an automated cartridge-based molecular technique which not only detects Mycobacterium Tuberculosis but also rifampicin resistance within two hours and has been endorsed by WHO.

After that District T.B. Officer Dr. R.B.Kapadiya sir had given lecture on National T.B Eradication Program's (2025) criteria, DOTS therapy, Multi-Drug therapy, Prevention, Members of T.B. program, Wages provide to Members & amount pay to patient per month, also taught about how they can verify or check about patient continuously taking drug or not with the help of mobile application and online softwre.

Feedback of the visit : It was very much fruitful and informative visit for faculties and students as we acquired knowledge on new aspects of T.B. Treatment and National T.B. Eradication Program
