About Samarpan Arts and Commerce College

Being located in the capital city of the Gujarat State, Gandhinagar Charitable Trust, Sanchalit Samarpan Arts and Commerce College was established, in 1996, by veteran philanthropist Shree Shantersthalji Vaghela with the sole aim of serving in the field of education, especially with a view to care for the educational needs of the students from various areas of the state. This grant-in-aid college endeavours to stimulate the development of creative and intellectual curiosity. The chief beneficiaries are those students who come from the diverse strata of the region, especially from the remote villages of South Gujarat and Saurashtra. The visionary and altruistic members of the Gandhinagar Charitable Trust ensure to admit at least 60% students from ST, SC, OBC & Minority. Affiliated to Gujarat University, and functioning under the auspices of Gandhinagar Charitable Trust, Samarpan Arts and Commerce College offers undergraduate courses with Bachelor's Degree Programmes (B.A. & B.Com.) in the field of Economics, English, Sanskrit, Gujarati and Commerce along with choice of elective courses in Psychology and Sociology. For the last two decades, this co-educational institution is committed towards shaping humane force and continuously working in creating and developing human resource for public service and admin sectors. Consequently, a large number of students have been serving in various public sector services and offices of the Gujarat State and outside as well. The institution also places strong emphasis on physical fitness and as a result, in past few years, our students have won Medals at National events in Shooting, Boxing, Karate and Taekwondo. Situated near the South-Western Base of the Indian Air Force, our ICNDU centre (SC-09111) for distance education fosters the needs of young officers, especially in the services of AIR, BSF and CRPF. It also offers Post Graduate programme (M. A. in English) and Ph. D. programme (In English as well as Gujarati Language and Literature).

About GAP

Grand Academic Portal (Gyan- Adhyayan- Parmpara) is an NGO which provides a supplementary and complementary element to the existing formal higher education system in India. The founders have collectively envisioned a platform to provide an innovative, free, equal, equitable, collaborative, sustainable, and all-inclusive teaching-learning-pedagogy environment to all the stakeholders of the higher education in India. GAP has its presence in more than twenty states of India growing its popularity very fast in foreign countries also. Grand Academic Portal (GAP) is a network group functioning in the field of higher education in India. It is a platform, having more than one thousand direct and indirect stakeholders who are the professors, faculty members, researchers, industry patrons, lawyers and other highly esteemed professionals from India and abroad. GAP is operational in many areas of higher education like research, consultancy, publication of books and journals, project management, resource mobilization, faculty development and training and mentoring. There are many sub-bodies under the umbrella of GAP like ISAC (International Society for Applied Commerce) which are catering to these individual verticals.
