Objectives:

After attending this conference participant will

1. Promote collaboration among healthcare professionals from various specialties to ensure comprehensive and coordinated patient care.
2. Emphasize the significance of preventive care and early intervention in alleviating the burden of chronic diseases.
3. Integrate mental health services into primary and specialty care to offer comprehensive treatment for patients.
4. Implement evidence-based practices and safety protocols to minimize risks.
5. Ensure high standards of patient safety across all specialties.

Mahagujarat Medical Society

Mahagujarat Medical Society is a charitable organization established in Nadiad in 1938. The society is dedicated to healthcare and education in this region of the state. M.M.S. provides secondary and tertiary medical care across various healthcare sectors at affordable costs for all segments of society. It has evolved into a prominent super-specialty, academic, research, and healthcare institute, offering accredited degree programs in Ayurveda, Nursing, DMLT, and BCA.

Maganbhai Adenwala Mahagujarat University

The Maganbhai Adenwala Mahagujarat University, established in 2022, offers a variety of multi-domain programs under one roof. It addresses the educational needs of rural youth in the region and empowers them to contribute to nation building.

Dinsha Patel College of Nursing

The Dinsha Patel College of Nursing offers programs in Auxiliary Nurse Midwife, General Nursing and Midwifery, B.Sc. Nursing, Post Basic B.Sc. Nursing, M.Sc. Nursing & Ph.D. Nursing. We are affiliated with the Indian Nursing Council in New Delhi and the Gujarat Nursing Council in Ahmedabad.

Vision

Create a global leader and competent nursing personnel through excellence in education, research, and health care practice.

Mission

Prepare competent nursing personnel as a clinician, educators, leaders and researchers that strengthen the health and well-being of individual and society.
